The number of employees 12

Variety and quality of PI "Šiauliai Region Development Agency" services are implemented by three departments:

- Project department;
- Training department;
- Business consulting and international relations department

Vilniausst. 100, Šiauliai. Phone.: 8 41 525 101;
info@srpa.lt;
www.srpa.lt

PI „Šiauliai Region Development Agency“ was established in 1994 to intensify Šiauliai district social and economic growth, the growth of community knowledge, preserve and keep a unique land nature and cultural unity.

Through the lifetime of PI "Šiauliai Region Development Agency" dozens of various projects has been successfully implemented that made a significant contribution to the Šiauliai region's competitiveness.

PI "Šiauliai Region Development Agency" increases the competitiveness of Šiauliai region not only carrying out project activities. This objective is also implemented using other measures as well – by improving professional and general competences of businessmen, farmers, retraining them and giving consultations if necessary.

Main activities and planned results:

WP2 – programme to be improved, cooperation events with partners in LV:

- Cross-border meetings - experience exchange to 2 schools (LV to LT). 40 person participating;
- Research on labor needs, cooperation model development in Šiauliai region.

WP4 – events:

- Participation in final conference;
- Articles in newspapers (4);
- Preparation and publication of handbook-profession guide – 700 copies.
